

WHAT'S THE ROLE?

We are looking for a high calibre candidate with strong business acumen to unleash your high potential, starting as Management Associate Program. Our people come from different walks of life with a shared dedication to high performance, consistent results.

WHO IS HILTI?

Hilti is where innovation is improving productivity, safety and sustainability in the global construction industry, and beyond. Where strong customer relationships are creating solutions that build a better future. Where there is pride and a sense of belonging across our 120 locations, carrying right into our lives and homes. Where people are exploring possibilities, leveraging their potential, owning their personal development and growing lasting careers.

WHAT DOES THE ROLE INVOLVE?

As Management Associate Program, which is a 30-month fast-track career development program, you'll have the opportunity to gaining exposure in different areas including rotation in Sales to build up your business acumen and in Marketing or Engineering to develop your strategic thinking skills and project management skills. Upon successful completion of the program, you will have the opportunity to pursue a specialist role in your preferred streams in Sales, Marketing, or Engineering; or advancement to a management position for those with high potentials or even have the opportunities to work in regional projects or attend regional learning program.

We have more than 200,000 interactions with our customers every day. It's how we get to know their businesses, understand their needs and develop the precise products and services that will help them.

WHAT DO WE OFFER?

- Fast track career development to managerial positions
- Exposure to various functions through job rotations
- Overseas on-the-job training and potential overseas career opportunities
- Senior executives as mentors to help with professional development and career exploration

WHAT DO YOU NEED:

- University degree holder in Engineering/ Business/ Marketing or related discipline
- Passionate in excelling in Sales, Marketing or Engineering
- Engage in activities beyond studies and demonstrate great leadership skills

- Highly committed and self-driven personality
- Ambitious and wants to build a career in a multi-national, technology-driven company
- Good team player with excellent interpersonal skill
- Self-motivated, strong customer orientation and with a “can-do” attitude
- Highly proficient in English and Korean
- Internationally mobile is preferable

WHY SHOULD YOU APPLY?

We have an excellent mix of people. So, if you've never worked in engineering or supplier, that's fine with us. Success at Hilti is down to teamwork and ability, no matter what your background.

We look forward to receiving your application. Interested applicants please submit your CV by clicking the "Apply Now" button.
