

Partial Differential Equations Seminar

Title

Hydrodynamic limit towards singular fluid solutions

Speaker

라준현 박사

Affiliation

Imperial College London, England

Date

Jan. 6th , 2:00 ~ 3:00 pm

Location

Science Building #262

Abstract: In this talk, we discuss how to obtain singular solutions of a fluid equation as limits of solutions of a kinetic equation. The talk is based on a joint work with Chanwoo Kim.
