One day workshop : Around Boltzmann equation

Date: June 20(Tue.), 2023

Time: 09:55~18:05

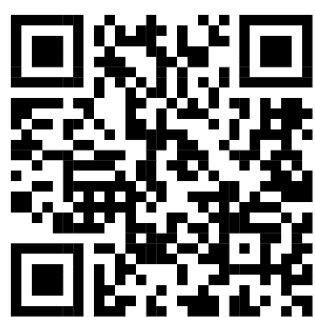

Venue: Science Hall 225

Invited Speakers:

Jinwoo Jang (Pohang University of Science and Technology)

Donghyun Lee (Pohang University of Science and Technology)

Seok-Bae Yun (Sungkyunkwan University)

workshop web page

The aim of workshop is to bring together young experts to share their recent research results on the mathematical analysis of Boltzmann equation and related kinetic models. Undergraduate/Graduate students and postdocs are particularly encouraged to participate in.
